ITEM 38. STRATEGY AND OBJECTIVES

- A. Mission:** To operate a responsible, technology-driven bookmaking business in the Eastern Cape Province, delivering accessible and regulated fixed-odds draw-game betting services to the public under the iPlay Africa brand.
- B. Business environment:** The Eastern Cape represents an underserved market for regulated online draw-game betting. There is no licensed online draw-game competitor currently active in the province. The company will operate on a B2B2C model, leveraging the GDS iPlay technology platform, a production-grade system purpose-built for licensed draw-game operations. Growing smartphone penetration, a large adult population already familiar with lottery and informal draw-based games, and an uncontested online draw-game segment in the province provide a favourable commercial environment.
- C. Critical objectives:** Obtaining a bookmaker licence (Phase 1); establishing and launching the GDS-powered technology platform (Phase 2); building a sustainable customer base through above-the-line marketing (Phase 3); fulfilling the 1% GGR SED annual commitment. Key risks include regulatory timeline delays, FX exposure on GDS integration costs (EUR/ZAR), and competition from established national operators. A proposed additional 20% GGR tax on online gambling (November 2025 consultation, not yet law) is noted as a material downside risk if enacted.
- D. Corporate strategy:** Digital-first, online-only distribution at launch; strong compliance culture; investment in responsible gambling initiatives; alignment with BBBEE requirements. Retail distribution may be considered in a later phase subject to Board approval.

ITEM 39. SITE LOCATION AND SIZE

- A.** iPlay Africa (Pty) Ltd operates exclusively as an online bookmaker. There are no physical licensed premises where members of the public are received to place bets. The registered business address — Suite 1 MD Square, Jongilanga Road, Mdantsane, Eastern Cape, 5219 — serves as the operational and

administrative address of the company only. The platform is accessible via web browser on any internet-connected device.

B. Not applicable. iPlay Africa is an online-only platform with no retail betting premises. No site or locality plans are applicable.

C. Not applicable. No physical retail premises.

D. The registered office at Suite 1 MD Square, Jongilanga Road, Mdantsane, Eastern Cape, 5219 is leased from CapeVest Investments (Pty) Ltd on arm's-length commercial terms. For disclosure purposes, CapeVest Investments (Pty) Ltd is the holding entity of Moshe Hector Sohaba, who holds a 16% indirect interest in Basko AI Invest (Pty) Ltd through Cape Vest Investments (Pty) Ltd. The lease was concluded on arm's-length commercial terms at a market-related rental of R10,000 per month. This lease covers the administrative address only and does not constitute a licensed betting premises. A copy of the signed lease is attached.

E. Not applicable. No retail premises lease required. Registered office lease attached for reference only.

F. Land/buildings negotiations: N/A.

G. Zoning certificate and special consent (where applicable) will be submitted at least 7 days prior to public hearings, as required.

H. The premises will be fitted out to a quality standard consistent with the expectations of local citizens, with adequate public facilities.

I. The proposed bookmaking business is expected to have a positive economic impact on the surrounding neighbourhood through local employment and investment. Proximity to schools, places of worship, and residential areas will be managed in line with responsible gambling principles, including measures to prevent under-18 gambling.
